

3 DAY TOUR IN THE VAL DE BAGNES

Medium-Hard difficulty

Let's wander deep into the Val de Bagnes Mauvoisin watershed where we can be privileged with an up & close meeting with the Corbassière Glacier.

DAY I Mauvoisin – Cabane Chanrion

A pleasant walk meandering up to the hydroelectric barrage, and along the lakeside before passing over the col de Tsofeire (2628m) and its splendid views before descending to the Cabane Chanrion where we will spend the night.

Start:	Mauvoisin (1841m)
Finish:	Cabane Chanrion (2462m)
Time of Year:	Spring, Summer & Fall
Walking Time:	Approx. 4 hrs

DAY II Cabane Chanrion – Cabane Panossière

A very long walk which will take us along the other side of the lake to the col des Otanes (2846m) – the highest point of this trip – with the plunging view onto the Glacier de Corbassière. We will spend the night in the Cabane at the foot of the glacier!

Start:	Cabane Chanrion (2462m)
Finish:	Cabane Panossière (2669m)
Walking Time:	approx. 7:30hrs

DAY III Cabane Panossière - Mauvoisin

A hike back down into the Val de Bagnes into the pastures and wild flower fields who thrive on their reclusive hills enjoying the freshness from the Combins above.

Start:	Cabane Panossière (2669m)
Finish:	Mauvoisin (1841m)
Walking Time:	Approx. 5 hrs
