

Gear List for a Winter Walk

I will bring the rubber crampons for you today! Just give me your boot size.
Wear ski clothes with layers to remove or add as body temperatures change.

- * Comfortable waterproof walking boots with ankle support
- * Waterproof or Softshell lightweight pants & jacket

- * Removable warm insulating layer - little puff jacket or fleece
- * Insulating hat, buff, scarf...
- * Gloves (waterproof & liners)
- * Sun glasses / seeing glasses / contact lenses (No goggles! They fog up!!)
- * Sunscreen (30+)
- * Personal Medication if needed during the day
- * Comfortable back-pack (max 30l)
- * Snacks or picnic lunch (if not going to a restaurant)
- * Minimum 1 litre water

I can help you rent the following if you don't have them:

- * Ski poles
- * Waterproof hiking boots
- * An avalanche transceiver (DVA)

**Verbier's Ski Service & Cherries Walks partner up
to offer you 20% off on rental gear!**

Optional items:

- * Camera
- * Binoculars

Don't forget to check that all your toys have properly functioning batteries!

Winter walking on prepared areas is amazing!

Please ask if you have any questions!
